

COOPERATIVE COMMUNITY FUND DONATION FORM

GIVE WHERE YOU LIVE!

Feather River Food Co-ops are located in the rural northern Sierra Mountains of Plumas County. We have two stores, one located in Quincy and one in Portola. The stores are 35 miles apart and serve 2 communities with populations of 6,000 and 2,000, respectively. Over the years, we've used this fund to provide startup money to local agricultural projects, conservation programs, and various other socially and environmentally-conscious programs. Your donation provides much needed support to beloved local nonprofits and organizations. **Help us help our community!**

You can donate to the Co-op Community Fund by dropping money into the change jar at either store location, or by completing this form and turning it into one of our cashiers or emailing it to our Outreach Coordinator at RMacNeil@featherriver.coop.
